The year 2009 saw the collaboration of a luminous stars of learning on the educational horizon. The stars were to later blaze a trail across the Indian skies guiding scores of students to scale the heights of success in their careers, professions and enterprises. Today, the beacon stands firm on massive pillars, having stamped indelible imprints on the glorious academic traditions of India. This is the story of SHRI MAHAVIR EDUCATIONAL WELFARE & CHARITABLE SOCIETY, through which they wanted to redefine educational standards in India by shaping it as a window to the emerging market driven global economy.
